We need someone to take over the newsletter. Brent our present newsletter editor will no longer be able to continue due to illness. Please call anyone on the board if you might be interested . The major part of the job would be to put the newsletter together. Once it is put together the final draft is then taken to Rochester General who handles the printing for us. They call us when it is ready to be picked up and then we get together and do the mailing. We would appreciate any help that you can give.

And as always we would love to have some new people to join us . As with any organization you need new people to bring fresh ideas to the table.
